Subject: RE: Search Warrant

Good afternoon Craig,

This information is very sensitive and please share it with whoever needs it but it needs to remain confidential.

IMET will be assisting federal agencies serving warrants at 11 locations tomorrow. All except for one are in Jackson County.

Grow sites:

[REDACTED] Central Point. Deputy Bartlett will be primary here.

[REDACTED] Central Point. Deputy Maynard will be primary

[REDACTED] Central Point. OSP will be primary

[REDACTED] Eagle Point. Deputy Hegdahl will be primary

Residences:

[REDACTED] Medford. Detective Friend will be primary

[REDACTED] Medford. Deputy Bifano will be primary

[REDACTED] Medford. Detective Ponder will be primary

[REDACTED] Central Point. Central Point will be primary

[REDACTED] Medford. Deputy Frank will be primary

[REDACTED] Medford. DEA will be primary.

We will mostly be on Tac channels but we might come over onto JCSO Primary for minimal radio traffic.

We plan on being on scene by about 0630 hours. Each place is unique to the distance so some may not make the 0630 hour on scene time.

Call me if you have questions.

Great News!

After obtaining further information today, we do not need to brief at 0400, we will push the brief to 0500 hours.

Once again. No brief at 0400, **BRIEF AT 0500**

Thank you!!!

Hey all,

Just an FYI and Clarification on the 0400 Brief. Anyone coming can merely be here at 0400, you do not need to be dressed down at that time, there will be ample time for gear gathering and suiting up.

Subject: SW on 7/30/25 Briefing at 0400

Hey all,

I am emailing in regards to an operation that will be occurring on 7/30/25 as a save the date. CPPD will be executing a residential warrant as well as assisting with an additional residential/Marijuana grow warrant. We will be doing a briefing at 0400 hours. After the briefing there will be a bit of downtime before time on target. The agenda to be aware of is that we will execute a residential warrant, come back to PD, dress down into clothing you do not mind getting ruined, then we will jump into a few rigs and travel to the next assignment where we will be helping with searching and destruction of marijuana. I'll have more details during the briefing.

I am hoping to get anyone who is willing to help with this as we need every body we can get. I appreciate anyone who can help!

If anyone has any questions about this operation just give me a call.
